MTI Expands with Appointment of New UK Services Director

Former EMC Service Executive Joins Leading Storage Technology Solutions Provider

GODALMING, SURREY, UK, 1st October 2008 — MTI, the leading international provider of consulting services and comprehensive information infrastructure solutions for mid- to large-size organisations, today announced the expansion of its team with the appointment of Brendan McCormack to the position of UK Services Director. Reporting directly to Tony Conway, Vice President of Customer Services, Brendan will be responsible for the provision and quality of services to all of MTI's UK clients.

Prior to joining MTI, Brendan spent a number of years at EMC in various services and technical support positions, most recently as Commercial and SMB Service Manager for EMC UK South.

Before his tenure at EMC Brendan worked for IBM, StorageTek and Wang.

"I am thrilled to join MTI because today it is one of the most exciting system integrators in Europe, combining over 20 years of industry expertise with strong, complementary products and best-in-class services to create the ultimate turnkey storage solution," said Brendan McCormack, MTI UK Services Director. "In the storage industry one of the main differentiators among vendors and channel organisations alike is how well you look after your end users and the loyalty shown by MTI's customer base is an unquestionable sign that we are leading the way."

"Brendan was brought on board to allow us to continue to expand while keeping a close and successful relationship with our existing customers," said Tony Conway, MTI Vice President of Customer Services. "The MTI UK sales team will work closely with Brendan to ensure our customers enjoy the highest levels of service from the first call through to their ongoing relationship with us. I am confident that Brendan will prove himself to be a great asset for MTI."

Brendan holds an MBA and BSc (hons) in mathematics and computing and is based at MTI's Godalming offices.
